Re: Toronto Star Readers' Choice Winner 2019

Toronto Star readers voted – and you're a winner!

We are pleased to let you know that your business has been voted by Toronto Star Readers as being best of class, and you're officially a winner in our 2019 Reader's Choice Awards!

The Toronto Star launched the Readers' Choice Awards earlier this year to discover and highlight outstanding people and businesses in the GTA. Over the summer readers nominated and voted for the people and businesses they think are the best in class. We had 5,000+ nominations and less than 10% made it to the winners' circle. **Congratulations on being one of the city's top picks!**

We have already announced our winners, and if you haven't seen the list already or how you ranked, please visit <https://www.thestar.com/readerschoice-toronto/>

If you are interested in learning about how to promote your win, or have any other questions, please reach out to us at readerschoice@metroland.com or call 1-877-646-6701.

Congratulations again - and please let us know if you have any questions about the program itself, or other ways you might take advantage of the exposure.
